

A man wearing a green hard hat, safety glasses, a blue vest over a light green shirt, and blue pants is operating a forklift. He is sitting in the driver's seat, holding the steering wheel. The background shows a warehouse interior with wooden pallets and structural beams. The image is partially obscured by a large orange and red diagonal graphic on the right side.

**ENGIRISE**

# **DIESEL FORKLIFT**

**Model Name: FL35**

**CUSTOMIZABLE, COMFORTABLE & EFFICIENT**

The **FL35 Diesel Forklift** is built to deliver strong lifting performance, excellent efficiency, and superior operator comfort. Powered by a reliable Mitsubishi engine and equipped with a smooth hydraulic transmission and durable components, this forklift provides dependable performance across warehouses, construction sites, and a wide range of industrial operations.

## Product Description :

1

**Customizable Attachments:** The FL35 can be equipped with a variety of attachments, such as extended forks or specialized load-handling tools, allowing operators to adapt the machine to diverse material handling tasks. This flexibility enhances operational efficiency across warehouses, construction, and industrial environments.

2

**Operator-Centric Cabin Design:** The forklift features an ergonomically designed cabin with a comfortable seat, working lights, and tool storage. This ensures superior visibility, safety, and productivity, keeping operators comfortable during long shifts.

3

**Robust, Agile & Efficient Build:** Its compact yet durable frame, combined with pneumatic tires and hydraulic transmission, makes the FL35 highly maneuverable even in tight spaces. The combination of customizable attachments, operator comfort, and robust design results in a forklift that is efficient, reliable, and visually appealing, perfect for users who demand both performance and form.

## Key Specifications & Parameters :

- a. **Model** - FL35 Diesel Forklift
- b. **Capacity** - 3,500 kg
- c. **Lifting Height** - 3 m
- d. **Mast Type** - 2-stage mast
- e. **Engine** - Mitsubishi S4S diesel engine
- f. **Fork Length** - 1,220 mm
- g. **Transmission** - Hydraulic transmission
- h. **Tires** - Pneumatic tires
- i. **Cab / Operator Comfort** - Comfortable seat, working lights, tool box
- j. **Branding** - OEM brand & serial number; OEM color Pantone 144

Engirise Africa presents the FL35 Diesel Forklift: 3,500 kg capacity, 3 m lifting height, 2-stage mast, Mitsubishi diesel engine, hydraulic transmission, pneumatic tires, ergonomic cabin, and OEM parts. Ideal for industrial and construction applications.

**Focus Keywords:**

FL35 Diesel Forklift, Engirise Africa forklift, 3,500 kg forklift, hydraulic forklift, Mitsubishi engine forklift, warehouse forklift, industrial forklift Africa.
